

# POWER OF **U**

DESIGNERS, SUPPORTERS, FRIENDS  
INSPIRE READERS WITH THEIR TAKE ON POWER

Happy Anniversary *U Magazine!* I think that Middle Eastern women are among the most beautiful in the world, with a distinctive confidence that makes them pretty powerful.

*“Wishing you a Happy Anniversary and many congratulations for all that you have accomplished. Shirene and the team are doing a remarkable job! U has proven itself to be a publication of merit bringing high-quality, substantive information to its discerning audience, while keeping readers abreast with the latest innovations in technology, style and fine living. The magazine strikes a fine balance between business, pleasure and information, not an easy task but one that U achieves with each new issue. Cheers!*
